## Fun Play Opportunities at Lambeth's only Cycling Adventure Playground.

Children, young people, schools, youth groups and other organisations welcome. Our skilled play-leaders provide fun and challenging experiences at our unique adventure playground. Come and see what's on offer:

- Adventurous play
- Climbing wall
- BMX bike track
- Sand pit and water play
- Barbeques
- Cycle maintenance workshops
- Fun and physical activities linking into your P.E. or P.S.H.E curriculum
- Challenging team building sessions to encourage confidence and self-esteem
- Cycle training courses
- Sports coaching including football

We support children and young people's right to play. This means we listen to our users and run the activities they ask for. If you are a school, or organisation get in touch to enquire about group booking rates. We are free after-school and during holidays for local users. Available on weekdays and saturday mornings for group bookings From £50 for a group of 15 children for a 2 hour activity session.
